

Royal Brighton Yacht Club

Race Management Team – Boat Crew

- Job Title:** Boat Crew
- Job Description:** The Boat Crew is responsible for assisting with on water rescue or race management activities, stationed on one of the Race Management fleet, directed by the driver or race officer.
- Experience/Skills:** Required experience and skills include:
- Comfortable with being on the water, and able to swim, if required
 - Working With Children Check (WWCC)
- Desired Quals:** Desired Qualifications and experience include:
- First Aid accreditation
 - Recreational boat License
 - Understand the RBYC emergency response procedures
- Equipment Required:**
- Boat pack
 - Radio (built in or handheld)
- Basic Tasks:** Tasks for this Position include (but are not limited to):
- Attend the Race Management briefing two hours before race start.
 - Ensure the boat pack has the necessary equipment to run the boat.
 - Following the Driver/Race Officer's direction, head to the race course and monitor the fleet of competitors.
 - Perform boat/sailor retrievals as required. This may require a need to enter the water.
 - If directed, assist with the race management duties.
 - At the completion of racing, escort the fleet to harbor and return to the marina.
 - Return equipment to the Sailing Department.
