

COVID-19 Return to Sport Checklist

CHECKLIST FOR SAILING CLUBS

This Vicsport framework document sets out a range of essential business and operational actions we recommend you undertake when considering your return to sport following the COVID-19 pandemic. It should be considered in conjunction with the *Victorian Community Sport and Recreation Organisations Guidance and Return to Play Template*.

The actions in this document, developed in consultation with Sport and Recreation Victoria, health experts and Victorian sport organisations, should not be taken as legal or financial advice. The information is of a general nature. If required, you should seek your own legal and financial advice when finalising your organisational return to sport strategy.

You should also remain in close contact with your stakeholders while preparing for, and during, your return to sport. These stakeholders – including your administrative staff, officers, members, volunteers and other key stakeholders such as state/local government and sponsor contacts – will be seeking guidance from you on your return to sport plans.

Keep up to date with, and ensure you rely on, official COVID-19 information. Avoid relying on hearsay or rumour:
