

Notice to Competitors 02 2020-11-05

Change to Sailing Instructions

To All Competitors,

Due to the current inaccessibility to the Tower, the following changes to Sailing Instructions will apply from 7th November 2020.

1) SI 11.2 “Tower Start” is replaced by the following:

Tower Start

- a. The starting line will be a line will be between a staff displaying an orange flag on the Committee Vessel and RBYC 6.
- b. Races will be started in a northerly or southerly direction, as designated by the Course Number.
- c. The starting line is an obstruction when not *starting* or *finishing*.

2) SI 14.2 **Tower Finish** is replaced by the following:

The finishing line will be a line will be between a staff displaying an orange flag on the Committee Vessel and RBYC 6.

NB.

For courses where RBYC 6 is a mark of the course (as in Tower Course 9), and you are required to pass it on its seaward side, having the start/finish line as an obstruction means that to pass RBYC 6 to seaward you should also go to seaward of the Committee Vessel.
