

Sail Past Instructions

The flagship (It's a Privilege) will take up station to seaward of the Middle Brighton breakwater.

Boats are required to be in the assembly area prior to 1145 Hrs to enable the Sail Past to commence at 1200 Hrs.

Assembly area will be to windward of the flagship location as follows:

Red flag flown from the Race Control Tower indicates the assembly area will be approximately 300 metres North of the Middle Brighton Breakwater and West of RBYC 5.

Green flag flown from the Race Control Tower indicates the assembly area will be approximately 300 metres South of the Middle Brighton Breakwater. (Warning: - beware of Bonnet Rock) and in the vicinity of laid mark (which will be a Yellow Tetrahedron Buoy).

When instructed boats shall sail or motor to a turning mark (RBYC 5 or a laid mark 'A' depending on the wind) then proceed downwind, passing between the flagship and the shore. It is customary to give 3 hearty cheers to the Commodore and the Flag Officers on the Official flagship.

Sail Past shall take place in the following order:

Club Rescue Boats, OTB, Etechells, Dragons, Sports boats, Cruising Group, Division 3, Division 2, Division 1, Powerboats.

RBYC Rescue boats may be in the assembly area to direct the traffic. Boats are requested to listen and follow oral instructions via the **VHF radio ch.77**.

***No throwing water bombs at the Official Flagship please!
all other manpowered techniques accepted 😊***
