How did you get into sailing?

*Going fishing with the locals on a pirogue when very young, living on the island of Goree in Senegal*

Why did you choose to sail Etchells?

*The only decent size, highly competitive one design fleet in Australia*

What is a highlight of your time in Etchells so far?

*At one of our first Etchells regatta, a downwind run under spinnaker with around 40 knots at the VIC state Title in Geelong.....*

What are your plans for the season?

*Finding a coach and training more to prepare for the National in Adelaide plus Vic Title and few other Regattas and club races. But first 15000 kms in remote Australian outback until October !!*
