**Personal Objectives:**

As mentioned in my original 2022 GC Nomination; I believe I have a diverse and practical skill set derived from past professional and business experiences as well as significant depth of sailing experience across many classes from OTB to Keelboats.

As a result of nearly a year's GC experience I now have a much stronger understanding across the broad spectrum of RBYC operations as well as the challenges and opportunities that lie ahead.

I enjoy and look forward to contributing to the future governance of our Club.
