253 Esplanade
Middle Brighton 3186 Victoria

Patron:

Commodore Greg Yorke, CSC, RAN

OFFICE BEARERS

General Committee Meetings attended from 1st July 2022 to 30th June 2023. (Elections held September 2022)

	Attendance	Eligible
Commodore Peter Strain	2	2
Commodore Niesje Hees	10	10
Vice Commodore John Mooney	1	2
Vice Commodore Peter Demura	7	10
Rear Commodore Paul Jenkins	2	2
Rear Commodore Peter Gebhardt	8	10
Club Captain Brett Heath	10	12
Honorary Treasurer Peter Demura	2	2
Honorary Treasurer Murray Cowdell	10	10

Further meetings attended by phone/zoom, exemptions granted for others.

GENERAL COMMITTEE (from 1st July 2022 to 30th June 2023)

Nick Barber	7	10
Peter Coleman	10	10
Murray Cowdell	2	2
Peter Gebhardt	1	2
Niesje Hees	2	2
Catherine Hurley	12	12
Marnie Irving	11	12
Kalpana Merrett	2	2
Neil Sargeant	9	10

General Manager Phil Hall

The Commodore, Flag Officers and Members of Committee of
ROYAL BRIGHTON YACHT CLUB INC.

Request the pleasure of the company of

MEMBERS AND PARTNERS ON OPENING DAY FOR 2023/2024 SAILING SEASON

Saturday – 7th October 2023

BY DESPATCH

Dated 9th April, 1924, His Majesty King George V has been graciously pleased to bestow the title 'Royal' upon the Royal Brighton Yacht Club.

BY WARRANT

Dated 27th March, 1924, under the Seal of the Office of the Lord High Admiral of the United Kingdom of Great Britain, Members of the Royal Brighton Yacht Club are permitted to wear on board their respective vessels the Blue Ensign of His Majesty's Fleet on certain conditions as laid down in said Warrant.

OBJECTS OF THE CLUB

Rule No. 2: The objectives of the Club shall be the promotion and encouragement of the sport of yachting generally, and racing between sailing yachts in particular, and the doing of all things incidental to or not inconsistent with the foregoing.

OUR VISION

An active, vibrant organisation, that extends the hand of friendship to visitors, members, and their guests alike.

An organisation that vigorously promotes the sport of yachting, and racing in particular, in a competitive and fair-minded manner.

An organisation that strongly supports and encourages youth sailing activities.

An organisation that provides the amenities and facilities that allows all of its members to socialise and to reach their own personal goals.

We strive to operate all activities in our Club by valuing camaraderie, tolerance, belonging, challenge and fun.

SUB-COMMITTEES

FINANCE SUB-COMMITTEE

M. Cowdell (Chair), N. Hees, K. Badger, P. Demura,
B. Heath.

SAILING SUB-COMMITTEE

B. Heath (Chair), P. Gebhardt, P. Bedlington, P. Robson,
R. McKenna, G. Ferguson, M. Irving, P. Pascoe,
T. Cushieri.

RESCUE & SUPPORT BOAT WORKING GROUP

G. Ferguson, (Chair), P. Austin, P. Coleman, M. Cowdell,
P. Langhorne, P. Jackson.

ASSETS MANAGEMENT SUB-COMMITTEE

N. Hees (Chair), P. Strain, M. Cowdell, A. Merrett,
K. Raghunathan-Merrett, M. Mitchell, N. Barber.

MARINA AND ATTENUATOR ADVISORY PANEL

J. Mooney (Chair) B. Drummond, P. Demura, J. Paterson,
G. Brewster, A. McCowan, N. Hees, N. Sargeant.

CRUISING GROUP

G. Brewster (Chair), T. Frankham, B. Burns, R. Cuthbert,
P. Strain, J. Walker, P. Gebhardt, S. Drummond,
R. Hurrell.

ICEBERGER/AQUATIC SUB-COMMITTEE

G. Wallace (Chair), S. Desira, R. Hugh-Jones, K. Watson,
J. Scanlon, T. Ryan, C. Wilhelm, A. Mulholland,
R. O'Shaughnessy.

INCLUSION AND DIVERSITY ADVISORY GROUP

N. Hees (Chair), C. Treagus, M. Koppenol (external
representative), L. Leckey, J. Stuchbery.

CLEANER SAILING SUB-COMMITTEE

A. Merrett (Chair), J. Pascoe, K. Mitchell, P. Demura,
K. Raghunathan-Merrett.

SOCIAL SUB-COMMITTEE

K. Johns (Chair), M. Rowe, G. Henderson, K. McCloskey,
C. Hurley, K. Williamson, J. Provis, H. Aberdeen,
S. Reynolds, S. Cassidy, S. Drummond, J. Cosgrove,
R. Cuthbert, G. Wallace.

YACHTING FOUNDATION

Commodore N. Hees, Past Commodore P. Strain,
Vice Commodore P. Demura.

HANDICAPPER

Principal Handicappers. T. Cuschieri.

AUDITORS

Ashfords.

INSURANCE BROKERS

Fitzpatrick & Co Insurance Brokers Pty Ltd.

The Club remains in a strong financial position, and over the past year the General Committee, Sub-Committees and staff have worked to progress initiatives in all areas of the RBYC Strategic Plan.

Sailing Pathways

As highlighted in the Club Captains Report, there were active fleets across One Design, OTB and keelboats, including successes in ocean racing, windward leeward, and “around the sticks racing”, with several sailors travelling to events nationally and internationally. The Cruising Group has run several successful events on and off the water. Several members have enjoyed using their boats through support of the “Sailing Lifts your Spirits” program, an initiative that rewards our skippers and crews as much as their guests, the healthcare workers who look after us. This year’s Oaks Day Lunch raises funds to enable the program to expand this coming season.

The club’s training programs are attracting adults new to sailing as well as young people. The purchase of a training keelboat provides opportunities for prospective crew to gain keelboat experience.

Through the monthly Club Captains and Commodores meetings chaired by Australian Sailing we share experiences and build opportunities for joint initiatives. We all endeavor to promote the joys of sailing in an environment of competing leisure activities.

Membership

Membership continues to grow in all categories, as can be seen in the Membership report. We aim to increase our crew membership numbers for the benefit of boat owners as well as aspiring crew.

We appreciate our non-sailing members as well, who bring additional life to the club. Swimmers, gym

members and social members are making good use of our facilities and wonderful waterfront location. The Icebergers have run some excellent events which have been enjoyed by sailing members as well.

The Social subcommittee has run several popular functions appealing to all members, and many of these will become a regular feature of the club’s calendar. Leading up to 2025 we look forward to celebrating the club’s 150th anniversary.

Marina, Beach and Hardstand

A major focus of the club is the management and maintenance of our marina and related assets. A priority is dredging inside the marina. We are in the process of ensuring the correct permit is put in place and will then run a tender process to award a dredging contract.

Maintaining strong relationships with government bodies and community organisations is essential to retaining our fortunate position as a premier yacht club in an enviable location. We are aware of our role within the broader harbour precinct.

An important ongoing consideration is our responsibility with respect to sustainable sailing. The Cleaner Sailing subcommittee has reported on initiatives underway.

Progress is being made in renewal of our seabed lease. The lease expired in April 2023, and we are fortunate that the delay has no immediate consequences for us. The new lease must be resolved well before any major infrastructure work progresses, including the eventual replacement of the wave attenuator. A lease boundary survey has been completed and is now with the Valuer General for assessment.

I’d like to thank the members of the Assets Sub-Committee and the Marina and Attenuator advisory group for their expert advice on all matters associated

with the marina and hardstand, including maintenance, medium term projects and longer-term strategy.

Clubhouse

Clubhouse projects consider the benefits to members as well as the marketability of our function spaces. The replacement of the carpet in the members bar and function spaces has improved the appeal of these areas.

The Assets report mentions the planning work associated with the forecourt redevelopment, which is planned for the winter of 2024.

Catering and Functions

The Club restaurant is a popular link to the community as well as a benefit to members. As explained in the finance report, the turnover for the restaurant and for functions is healthy but costs have increased over the past year, and cost containment is a priority. Our friendly staff are appreciated by members and visitors, and we are keen to foster a caring club culture as well as a sustainable business.

Community

Strong community links are essential for us. Many who have lived in the local area for decades have recently joined the club, not realising previously that this was possible.

The Inclusion and Diversity advisory group is exploring ways to attract new members to the club from a variety of backgrounds. At the same time we are keen to support local initiatives. The Great Bay Bayside Swim and Rotary Recycle Regatta are examples of ways we help support worthwhile events.

Shared Values

Through the year we have had the opportunity to reinforce the principles of mutual respect. All members were sent a copy of the members' Code of Conduct with their membership renewals as a reminder of the standards of behavior expected.

As a growing and increasingly diverse club we benefit personally and collectively.

Commodore Niesje Hees

CLUB CAPTAIN'S REPORT

Great to be back to start the season with a fully-fledged opening day. Our new Commodore – Niesje – organised spectacular weather – and club members turned out in force. So many boats from all areas of the club participated. It was fantastic.

The club kicked off its large sailing program in October which sees keelboat, One Design and Off the Beach (OTB) racing and training.

RBYS Racing Program 22-23

Wednesday	1330	Keelboat	Hearnese' Heroes
	1805	Keelboat, Etechells, VXOne & Dragon	Spring Twilight Extras Fleet
	1815	Keelboat, Etechells, VXOne & Dragon	Spring Twilight Pursuit – No Extras
Thursday	1800	OTB	OTB - Sprint training
Saturday	1300	Keelboat	Saturday Racing
	1330	One Design	One Design Racing – Etechells, VXOne, 2.4mR & Dragon
Sunday	0900	OTB	Junior & Youth Training
	1400	OTB	OTB – Fleet racing

The Brighton Keelboat championship continued this year racing in Division 1, 2 and Ingénue. Some closely fought series coming down to the last race day.

RBYS participation in keelboat regattas has been at its highest for a long time. Locally, in the Cock of the Bay and Festival of Sails we had many competitors with great results.

In ocean racing, we had 2 competitors in the Sydney to Hobart. Rush and Cyan Moon. Congratulations to Cyan Moon who won the PHS division.

We had 8 entrants in the 50th Melbourne to Hobart.

Lincoln Week regatta saw Reverie win Div 2 on AMS & PHS. They also came 2nd in The Australian Keelboat Championships in IRC.

OTB racing on Sunday afternoon resumed this season. Great to see so many boats out enjoying the racing. Thursday OTB twilight sailing continued from last season with many sailors honing their skills and enjoying the social side with dinner afterwards.

The One Design fleet on Saturdays saw the Etechells, 2.4mR, Dragons and VxOnes enjoying the camaraderie and close racing each week.

The Sunday junior and youth program participation has grown. We had 3 crews at the Stonehaven Cup held at RMYS and 7 Opti sailors at their Victorian state championships.

This season, we had a full schedule of training programs – Tackers, OutThere and Adult learn to sail. Big thanks to our OTB coordinator Laura for her hard work. Our Sunday morning programs were full and our Sunday afternoon race training program grew to include:

13 green fleet Opti's, 5 youth racing squad and 13 29er training students. Growth was so good that we purchased 2 more racing Optis for the green fleet. A strong junior & youth program will lead to a strong club.

The club purchased a keelboat this season, which enabled our first Australian Sailing keelboat training courses to be run. Our boating manager Colin worked diligently to get all the components together. An exciting time at RBYC, with the adult training courses offered in both OTB & keelboats.

RBYC members have had great results at the many one design & OTB nationals and state championships held this season. Congratulations to all who competed.

Brighton Championships Winners

Congratulations to all the winners of the various Brighton Championships' classes. A great effort by skippers and crew over a long season.

Div 1 Season Agg. (AMS)	JAMHU	Phil Bedlington
Div 1 Season Agg. (ORCc)	Reverie	Alan Woodward
Div 1 Season Agg. (PHS)	Reverie	Alan Woodward
Div 2 Season Agg. (AMS)	Flying Fox	Paul Woodman
Div 2 Season Agg. (ORCc)	True Colours	Geoffrey Adams
Div 2 Season Agg. (PHS)	Flying Fox	Paul Woodman
Cruising Div Season Agg. (PHS)	Andalucia	William Merritt
Etchells Season Aggregate	That's Life	Ian Crisp
Dragons Season Aggregate	Amazing Grace	Charles Stanton
2.4mR Season Aggregate	Australia II.IV	Peter Coleman
VX One RBYC Season Champion	XV	Brett Bowden
Laser Season Aggregate	Uncomfortably Numb	Damon Cook

The club has had a busy regatta season – thanks to all volunteers who made these possible

- Sail Melbourne
- RS100 National Championships
- Etchells 2023 Victorian State Championships
- VX-ONE 2023 Victorian State Championship
- George Mac Regatta 2023
- BLISS

Thanks to all members for getting involved and making RBYC such a friendly and fun place to sail.

Congratulations to all the winners of our Club sailing awards.

Adam Stevenson Memorial Youth Encouragement Award	Philip Cripsey
P Bedlington Award – Outstanding Achievement in Sailing at National & International Level	Reverie – Alan Woodward
J Herlein Award – Yachtsperson of the Year	Peter Coleman

Volunteers

I would like to thank all our volunteers, race management team, jurors and staff who have worked diligently to ensure RBYC’s club programs and regattas have gone ahead and given our members a chance to enjoy the sport of sailing. For this, we are extremely grateful.

Many thanks to the Sailing committee: Marnie Irving, Glenn Ferguson, Tony Cuschieri, Paul Pascoe, Peter Robson, Rod McKenna, Peter Gebhardt, Phil Bedlington, Colin Burgess, Chad Humphrey

Working Group Report – 2022/23

The regular Thursday group of volunteers continues to maintain the club’s rescue vessels, including refuelling, radio installation and maintenance, and hull cleaning.

The group has also undertaken a large number of maintenance tasks relating to the race tower, marina and club yard. Over the past 12 months this included regular cleaning of the hardstand, repainting the flagpole to the rear of the club, installing solar panels on the race tower and installing new wind instruments. Tower wind readings can now be observed on the club website and via an iphone app.

Due to their expertise with rescue boats, the group acted as an advisory group in the development of the lifecycle plan for race management boats. The group was pleased to welcome the new rhib RB2, and assist

in ensuring it was operational when it arrived, including moving the new floating dock into position.

The volunteers are Paul Jackson, Glenn Ferguson, Peter Austin, Murray Cowdell, Peter Coleman, Chris Sand and Peter Langhorne.

Brett Heath, Club Captain

ASSETS REPORT

The Assets Sub-Committee provides governance and advice on the investments required to ensure the Club's Asset Management Strategy is supported and club assets are maintained. Over the past twelve months the sub-committee has provided recommendations to the General Committee on several key investment decisions and plans.

Clubhouse

New carpet was installed in the Bayview room and Member's bar, as well as the vinyl matting leading to the change rooms, greatly improving the appearance of the club.

A new permit has been received for forecourt redevelopment, to enhance the front of the clubhouse, with a modern entrance and circular driveway. The clubhouse is awkward to reach by car, which has proven an inconvenience for club members being picked up and dropped off, members calling taxis and ambulance drivers called to an emergency.

The Master Plan envisioned a circular driveway at the front of the club, with an improved façade. The Club's architect is currently managing the development of working drawings and a tender package, overseen by a working group of club members with relevant experience. The aim is to undertake the work in the winter months of 2024.

Race Management Boats

The current fleet of race management and rescue boats was assessed in relation to their purpose to support racing, coaching and rescue. While the fleet is largely fit for purpose, there is a need to replace vessels over time, and a plan has been developed to prioritise these. A second hand rhib in good condition has been purchased to replace the main race mark laying boat, and other vessels will be replaced over the next three years.

Marina, Hardstand and Yard

A new stainless steel automated marina gate has been installed, following an assessment of options and selection of preferred supplier.

Maintenance of the marina and attenuator is ongoing, including installing more rub collars and addressing some cracks in the attenuator. The attenuator repairs have been successful with the attenuator withstanding periodic strong northerlies. A longer-term solution will be required within 10 years and options are being considered by the Marina and Attenuator Advisory Group.

Alternative solutions for the Race Tower are being investigated, given the current structure can only be reached by boat.

Risk Management and Compliance

Apart from ensuring statutory requirements are met, the club has refreshed its risk register and reviews this on a regular basis.

Marina and Attenuator Advisory Panel

RBYC's Marina and Attenuator Advisory Panel chaired by Immediate Past Vice Commodore John Mooney is charged with developing a long-term plan for the marina and attenuator in acknowledgement of the limited lifespan of the current assets.

A Wave Study was commissioned to assist in the comparison of suitable options, including installation of a wavescreen and extension of the breakwater. Options for reconfiguration of the marina are also being explored.

This work will be further progressed once the extension of the seabed lease has been finalised.

Dredging of the Marina

In order to dredge the marina to 2010 levels a separate permit is required. Initial quotes have been received from two contractors. Once a permit has been received a tender package will be prepared to ensure a robust process for awarding the work.

Water Technology has undertaken sediment sampling inside the marina which is a pre-requisite to obtaining a dredging permit. The resulting report will inform the decision regarding the location of the dredged material, which will either be on the beach north of the club or out to sea.

Marina Lease

The Marina Lease expired in April 2023, and the club continues to pay monthly lease payments. This is a similar situation to that experienced at various times by other clubs around Port Phillip. Meetings have been held with Parks Victoria with an agreed plan to progress. A lease boundary survey has been undertaken by an approved marine surveyor and provided to Parks Victoria. This has been forwarded to the Valuer General and the Club awaits their valuation so that negotiations can commence.

MEMBERSHIP REPORT

Membership is a key focus of the entire GC and a core pillar of our Strategy, ensuring members of all ages and interests value their membership, and members feel comfortable as part of the RBYC community and proud to be part of it.

Membership numbers at the club have continued to grow in all categories. Each new member has been interviewed by a GC member by way of welcome to the club.

There was an increase in membership numbers of 8.8% by the end of June 2023 compared with the end of June 2022. This compares with a membership growth of 2% the previous year. Total member numbers as at 30 June 2022 are 1726 compared with 1586 as at 30 June 2022, a net increase of 140 members.

The General Committee recognises that member retention is as important as acquiring new members. Reasons for member resignation are being captured. Over the 22/23 year, there were 185 members who resigned and 325 new members. This compares with 225 resigned and 256 new members in 21/22, 206 resigned and 315 new in 20/21, and 213 resigned with 181 new in 19/20.

73% of current members are Male and 27% Female which is just a slight increase in female membership since last year.

The percentage of members eligible to vote in elections is gradually decreasing over time, though the total number of eligible voting members has increased.

	21/22	22/23
Senior & Senior Family	31%	31%
Senior Special, Country & Absentee	4%	3%
40, 50, 60 year, Hon Life members	6%	5%
Crew & Crew Plus	9%	9%
Intermediate	6%	7%
Youth/ Junior	8%	9%
Gym	5%	4%
Aquatic	8%	8%
Social	23%	24%

The member survey scheduled for March 2024 will gather member feedback to inform the General Committee and sub-committees.

CRUISING GROUP REPORT

The past year has seen a steady improvement in participation in Cruising Group activities over the prior year, slowly building back up from the cessation of our program during the COVID shutdowns.

The premier Cruising Group event, the annual Bass Strait Cruise in Company, saw seven boats head out of Port Phillip Heads in late February, up from three the previous year. *Aquacadabra*, *Chakana*, *Kirra Kirra*, *Reliance*, *Saffron*, *Why Knot*, and *Y-knot*, all enjoyed a very pleasant sail down to Refuge Cove in favourable winds, with an overnight stop in Cleeland Bight along the way. After a day in the sun at Refuge, where the annual Beach Bocce completion was held (won by *Kirra Kirra*), several boats headed off to Deal Island, while others explored the Prom. Unfortunately strong westerlies were then forecast to kick in during the second week of the cruise, so most took advantage of the existing easterly for an overnighter run back to Queenscliff for a couple of days of relaxation and socialising before returning to RBYC. *Y-knot* headed from Deal on to northern Tasmania, and sat out the worst of the weather in the Tamar before returning to Port Phillip.

A strong wind forecast for the day of the Birthday Cruise to Royals saw most “cruise by car” over to Williamstown. Nevertheless, we had a good turnout for our 32nd birthday, and all enjoyed socialising in the sun on the sheltered lawn in front of the RYCV clubhouse.

Four boats (*Nimrod II*, *Favourite Child*, *Halcyon*, and *Why Knot*) headed up to Docklands for this year’s annual mid-winter Frostbite cruise, held over the first weekend in July, timed to coincide with Melbourne’s Firelight Festival.

Cruising Group has continued to host a monthly social event. Guest Speaker dinners over the past year have included:

- “Kimberly Coast” – Barbara Burns and Geoff Brewster,
- “Kahoot Quiz” – Bryan Drummond,
- “*Joie de Vivre V* goes to Europe” – Karen and Peter Johns,
- “Beyond the Reef” – Robina and Brenton Smith
- “Cruising the South Pacific” – Bryan Drummond
- “Cyan Moon’s Sydney to Hobart – Wayne Seaward and team
- “Cruising the Patagonian Fiords of Chile” – Don Warner

The Cruising Group’s social calendar was rounded out by the Christmas Hardstand Party in December and the annual Progressive Dinner in October, when 42 club members braved the elements for an enjoyable evening rotating between boats on the marina for dinners and deserts, finishing up for port and chocolates on Immediate Past Commodore Peter Strain’s *It’s a Privilege*.

In May of this year, several of our regular cruisers departed Brighton, setting out on extended cruises of their own. At the time of writing, *It’s a Privilege* (Peter and Suzie Strain) is in northern Queensland, while *Aquacadabra* (Rob and Sue Hurrell), *Chakana* (Robina and Brenton Smith) and *Saffron* (Barbara Burns and Geoff Brewster) are all in New Caledonia. Although this has depleted the local RBYC cruising fleet, this is what cruising is about and we wish them fair winds for their ongoing voyages.

Congratulations are due to the winners of this year's Cruising Awards:

- Rod Cuthbert (*Halcyon*), Most Improved Cruiser, for a return crossing of Bass Strait and 6 months exploring the waterways of Tasmania's eastern seaboard, and,
- Rob and Sue Hurrell (*Aquacadabra*), Cruisers of the Year, for over 3000 nm of sailing in the past year, from Brisbane to Melbourne, the Bass Strait Cruise, then to Sydney and on to Noumea.

In closing, I would like to thank the following members of the Cruising Group Committee for their hard work through the year in arranging and facilitating both the on-water cruising and social programs.

Geoff Brewster, Barbara Burns, Jenny Collins, Rod Cuthbert, Sue Drummond, Peter Gebhardt, Rob Hurrell, Paul Jenkins, Pam Merritt, Peter Strain and Jo Walker.

It has been a year of change for the Committee, with Geoff Brewster taking over the role of Cruising Group chair from Paul Jenkins, when Paul retired to the Bellarine Peninsula, Jo Walker joining, and two long standing members, Pam Merritt and Jenny Collins retiring. Special mention must go to Pam and Collins, who retired after 19 years for Pam and 17 years for Jenny (including 12 as secretary). Sterling service indeed!

Terry Frankham
Secretary, Cruising Group.

AQUATIC/ICEBERGER REPORT

On behalf of the aquatic category and sub-committee I am pleased to submit this report on our recent activities.

The sub-committee consists of Stephanie Desira, Rupert Hugh Jones, Kerry Watson, Tony Ryan, Ralph O'Shaughnessy, Andrew Mulholland, Christina Wilhelm with Greg Wallace as Chair.

The committee meets regularly to discuss and address issues raised by members of the category.

Current topics on the agenda are change room conditions, club maintenance, water safety and swimming protocols, events – e.g., winter pier to pub, apparel – swimming caps, bathers and tops, social activities, interaction with RBYC GM. The committee maintains regular contact with the GM and Commodore.

As noted previously the category is experiencing a continual influx of members.

As of July 23, we now have 138 aquatic members with an additional 66 club members from the various sections making up our total numbers of 204. For the first time the membership of our section has risen beyond 200.

Over 230 RBYC members receive the fortnightly Iceberger Newsletter.

Active daily swimming numbers are growing, mornings – (Tuesday/Thursday) and weekend are becoming increasingly popular. The café is now a hive of activity

from 7am through the support and patronage of the early morning swimmers.

Since my last report, the John Locco Winter classic has been swum and won earlier this month. This year 35 swimmers competed the various courses, With the winners:

Long Course: Lucas Tucker – 27:55

Channel Course: Ian Serpless – 22:50

Short Course: Andrew Buchanan – 13.51

A further highlight of the mid year has been the Winter Solstice Swim which has come about through the efforts of **Sam Paynter**. With over 70 swimmers the event is now one of the highlights of the year.

Another recent event held has been our winter safety and hypothermia briefing with over 60 Icebergers and members attending. Our thanks to **Betty & Tony Ryan and Ralphie** for putting this together.

As we emerge from the temperate conditions traditional Iceberging will soon make way for sun sand and tans. The Bay and our environment will take on a whole new life and the cycle of season will continue.

In conclusion, I would like to thank the RBYC and in particular Commodore Niesje Hees for the continued support of the Aquatic category and the Brighton Iceberging community.

Greg Wallace
Chair Aquatic Sub-committee

INCLUSION AND DIVERSITY ADVISORY GROUP REPORT

The IDAG continues to be committed to ensuring new and longstanding members from diverse backgrounds feel welcome at RBYC.

The theme for International Women's Day this year was "Embrace Equity". This day was celebrated with a slide presentation showcasing female sailors, which ran all day in both the members bar and the café, recognising also that it has been 40 years since women were admitted to the club as senior members.

NAIDOC Week is held every year in early July. This celebrates Aboriginal and Torres Strait Islander history, culture and achievements, and is an opportunity to recognise the contributions that First Nations Australians make to our country and to our society. Many organisations across the country, including businesses and sporting clubs, celebrate with events and other marks of respect. This year RBYC flew the Australian Aboriginal Flag and the Torres Strait Islander Flag throughout NAIDOC Week.

Some statistical analysis has been done on member data to better understand membership trends. More work is required to be confident of the results, but this does provide the potential to analysis membership data based on geographic location, age and gender.

- Some postcodes have greater membership numbers, which is not directly related to distance from the club
- Not only is the average age increasing, but more older members are joining as new members. This includes active sailing memberships.
- Gender distribution is more even amongst younger members.

In March 2024 it will have been 3 years since a membership survey was conducted. The General Committee has accepted the IDAG's recommendation that a similar survey be conducted to enable comparison with previous data, regarding member priorities and satisfaction with the club. This will assist in driving recommendations to subcommittees.

The Cleaner Sailing Sub-Committee (CSC) has met formally and informally throughout the year.

Members of the Committee are Kalpana Raghunathan Merrett, Jenifer Pascoe, Vice Commodore Peter Demura, Kirsten Mitchell (now retired from this committee) and Andrew Merrett

Six initiatives have been undertaken in Financial Year to June 30 2023.

1. Clean Marina Program

This program is now with the GM and Boating Office. The CSC recommends that the Club proceed with this program.

For this to progress the GC will need to pass a motion to proceed with the program. It is assumed the program would be administered by the Marina Manager under supervision from the GM.

2. Life jacket recycling

RBYC has partnered with LifeBags to recycle out of date and obsolete life jackets. A sample bag has been assessed by a sub group with the outcome being that the CSC recommends that LifeBags continue with their design work to create a truly marketable product.

3. The Leckie marina flotsam cleaning scoop program.

The pilot program is now complete. Whilst the plan initially worked well it is with some disappointment that we report that now two scoops have disappeared. An informal group of wonderful Club volunteers are planning to use the concept with a cleaning group using replacement scoops that will be kept under lock when not in use.

4. Sail Recycling

There are a number of sail recycling plans about. RBYC is considering the Sails to Shelter program which repurposes sails to become shelters in distressed international situations. Doyle Sails may be able to co-ordinate this. More information is available at www.sailstoshelter.com. The GC is yet to provide a location for sails to be recycled to be accommodated. In the interim Caledonia B818 has commenced a private trial of sail recycling. A report on progress will be provided when this is established.

5. Sailors for the Sea Program

This international organisation offers formal registration of regattas which conform to a set of environmental criteria. The criteria are reasonable and are what the Club should be following in 2023. The implementation of this is essentially the task of Regatta Directors and the Boating Department. CSC is always willing to assist.

6. Rope recycling

Recycling of old rope into matting is currently being investigated through the LifeBags organisation.

This may be an appropriate time for new members to join this committee. Interested parties are encouraged to discuss this further with the Vice Commodore.

Andrew Merrett

For the RBYC Cleaner Sailing Sub-Committee

SOCIAL REPORT

From Vikings to leprechauns on St Patrick's Day and a celebration for our new King, there has been a lot of activities around our club thanks to the energy of the very active social committee.

With an objective of providing more variety and added value to Friday nights the social committee introduced a system of recognition nights to alert all members to the different groups that make up our club.

We celebrated with the Icebergers the induction of 14 new members on Friday 3rd March.

The program has included information about our ever growing group of 2.4 sailors, VX1s and OTB and we still have plans to include a recognition for the cruising group, the Etchells and Dragons to mention just a few. In addition to these informative sessions there is, and will continue to be a lucky door prize! Friday nights at the club is certainly the place to be.

What do sailors do when it's gusting at forty knots and the rain is lashing against the windows.

The social committee has initiated bridge classes and is still looking into an organised sing along, dance classes and movie nights. So watch this space.

What's happening in other clubs? In an effort to gain more ideas the social committee visited RVMYC. They were welcomed by Commodore Simon Mills and his committee to learn how they successfully run their mid week raffle draw.

As we leave the dark, non sailing months of winter our next major event is Opening Day on 7th October. Themed *Totally 80's* think Madonna wearing underwear as outer wear, Michael Jackson *Beat It* with just one glove, Olivia Newton Johnson in lycra, *Let's get Physical* and who can forget our all time favourites Abba. Big hair, tights pants, shoulder pads, that's *Totally 80's*.

Karen Johns

YACHTING FOUNDATION REPORT

The RBYC Yachting Foundation maintains funds to support young sailors into the future, to assist with their shipping, travel and accommodation costs if they are campaigning internationally for major events. The balance has remained unchanged over the past year.

Contributions may be made via an Australian Sports Foundation Project, which enables tax deductible donations to be made. Anyone wishing to make a donation is welcome to contact the Commodore or General Manager.

Financial Statements
For the Year Ended 30 June 2023

HONORARY TREASURER'S REPORT

It is with pleasure that I provide the annual financial report to members for the period ending 30th June 2023.

The financial narrative for the Club is improved revenue and an increasingly higher cost base to service this revenue. Revenue improved 14.5% on the previous year, with significant growth in catering, membership and marina/hardstand boat storage. Record membership, higher marina utilization and a return to pre-COVID levels of catering. Inflation and a tight labour market saw expenses increase by 27.3%.

The tight labour market necessitated the use of contract agency staff as the club catering began to return to pre-COVID levels. This has slowly improved throughout the year as staff levels have improved. Inflation has seen increased costs for all areas of the club's operation.

Unlike previous years, there were no government grants due to COVID (FY22 \$288k).

An operating surplus of \$732k, which exceeded budget, was a great result in a challenging year. The overall deficit was \$296k compared with a deficit of \$5k in the last financial year. There has been an improvement in the cash balance and a decline in debt levels.

The club has been placing excess funds into short-term deposits to take advantage of higher interest rates.

FINANCIAL PERFORMANCE

In the year ended 30th of June 2023, the Club generated a net operating surplus of \$732k.

Total income of \$5,832k exceeded budget (\$5,485k) by \$347k.

Last year's total income was \$5,091k.

Total Expenses of \$5,100k exceeded budget (\$4,810k) by \$ 290k.

Last year the total expenses were \$4,014k.

Operating Profit of \$732k exceeded the budget (\$685k) by \$47k.

Net Surplus (Deficit) (\$296k) compared to a budgeted loss of (\$515k).

Last year the Net Surplus (Deficit) was (\$5k).

A summary of the income and expense account for the year ended 30th June is set out in the following pages:

Income and Expenditure Analysis	2022/23 \$'000	2021/22 \$'000	Variance \$'000
Income			
Members Subscriptions income	943	835	108
Marina & hardstand net income	1424	1255	169
Bar & Catering Sales	3,088	2333	755
Franchisee fees	39	46	-7
Sailing Income	267	245	22
Donations, Grants & subsidies	3	33	-30
Other Income	65	343	-278
Gain on disposal of assets	3	1	2
	5,832	5,091	741
Expenses			
Bar & catering cost of goods sold	-1,167	-892	276
Employee & Contractor expenses	-2,604	-1994	610
Accounting and Audit Fees	-82	-72	10
Advertising Expenses	-23	-23	0
Insurance Expenses	-99	-86	13
IT and software expenses	-72	-55	17
Property Expenses	-362	-281	81
Repairs, Maintenance & Equipment	-257	-291	-34
Sailing Expenses	-85	-73	12
Other expenses	-348	-347	101
	5,100	4,014	1086
Operating surplus (before int, Dep & Amort)	732	1077	-345
Interest Income	18	0	18
Finance Expenses	-70	-60	-10
Depreciation & Amortisation	-976	-1022	46
Net Surplus (Deficit)	-296	-5	-291

The following table provides a high-level breakdown of the profit and loss by major functions: catering, marina & hardstand, sailing, membership & administration.

Income and Expenditure Analysis By Department	Catering	Marina Hardstand	Sailing &OBT	Membership & Admin.	Total
	\$'000	\$'000	\$'000	\$'000	\$'000
Total Income	3088	1425	265	1052	5828
Cost of Goods Sold	(1164)	(3)	(1167)

Expenses	(1960)	(182)	(330)	(1457)	(3929)
Operating Surplus (Deficit)	(36)	1243	(65)	(408)	732
Total Other Income	0	0	0	18	18
Total Other Expenses	11	430	78	528	1047
Net Surplus (Deficit)	(47)	813	(143)	(919)	(296)

BAR & CATERING

The bar and catering functions of the club have seen revenue climb past pre-COVID levels to \$3.088M. In a difficult operating environment, costs are the challenge. A tight labour market, increased cost of goods and operating expenses have been a wave of obstacles to overcome. Despite these obstacles, catering has broken even.

The catering team are focused on controlling costs and improving offerings to reverse the margin to profitability in the coming year.

The bar & catering is a welcome service to all members, something new members have mentioned when applying to join the club. It offers a welcome ambience to the club with many members and the public enjoying the offerings.

MARINA AND HARDSTAND

The combined occupancy of the marina, hardstand and OTB storage at the end of June 30th was 89% (Marina 81% Hardstand 97% and OTB 96%). A 13.5% increase in revenue has resulted in an extra \$169,305. Income is up because of higher occupancy and the return of all marina pens to the club after all 20-year leases ended. The club is still in negotiation for a new seabed lease with Parks Victoria. Currently, the Club is offering marina pens on a one-year lease or a temporary short-term berthing arrangement.

The Club will be undertaking dredging in the near future and planning is underway to replace the ageing attenuator.

CAPITAL EXPENDITURE

Capital expenditure for the year totaled \$260k with the main item purchased being the replacement vessel for RB9. New carpet was purchased for the Bayview Room and the Member's Bar, and a new Marina Gate was installed.

- Capital works in progress \$28k
- Clubhouse Improvements \$72k
- Plant & Equipment \$160k

Cash Flows & Financial Position

For the financial year ended 30th June 2023, the net operating cash flows were \$794k compared with \$917k in 2022. The net operating surplus for the year after financing cost was \$662K. There were increases in the payments to suppliers and employees and a substantial increase in the interest earned. Total Borrowing by the club as at 30th of June were \$500k compared to last year \$885k. Cash or its equivalent increased by \$64k.

Cash Flow Statement for the Year Ended 30th June 2023.

	2023 \$'000	2022 \$'000
Cash flows from operating activities		
Receipts from customers	6,488	5,219

Cash and cash equivalents at the beginning of the year	1,424	1,124
Cash and cash equivalents at the end of the financial year	1,488	1,424

SUMMARY

Over the last financial period to 30th of June 2023, the Club was getting back to some sort of normality post COVID. As Treasurer I have adopted a conservative approach as I feel this will be a good base for the up-coming year and the capital projects that are planned. The Club is playing catch up in terms of maintenance and this will continue into next year.

Finally, I would like to thank all members, management, staff, and the contributions of the Finance Committee. The Finance Committee comprising of Commodore Niesje Hees, Vice Commodore Peter Demura, Club Captain Brett Heath, Keith Badger and Phil Hall for their support and assistance through the year.

Murray Cowdell – Honorary Treasurer

Royal Brighton Yacht Club Inc.

ABN: 24 768 210 467

General Committee's Report

30 June 2023

The general committee members submit the financial report of the Association for the financial year ended 30 June 2023.

General information

General committee members

The names of general committee members throughout the year and at the date of this report are:

Niesje Hees	Commodore
Peter Demura	Vice Commodore
Peter Gebhardt	Rear Commodore
Brett Heath	Club Captain
Murray Cowdell	Honorary Treasurer
Catherine Hurley	Committee Member
Peter Coleman	Committee Member
Nick Barber- Until 31/07/2023	Committee Member
Neil Sargeant	Committee Member
Marnie Irving	Committee Member

Principal activities

The principal activities of the Association during the financial year were to continue facilitating and promoting the sport of sailing generally, and in particular, racing between sailing yachts.

Operating result

The deficit of the Association for the financial year amounted to \$ (295,958) (2022: \$ (4,830)).

Events after the reporting date

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association in future financial years.

Signed in accordance with a resolution of the Members of the Committee:

Commodore: .....
Niesje Hees

Honorary Treasurer: .....
Murray Cowdell

Dated this 30th day of August 2023

**Notes to the Financial Statements
For the Year Ended 30 June 2023**

The financial statements cover Royal Brighton Yacht Club Inc. as an individual entity. Royal Brighton Yacht Club Inc. is a not-for-profit Association incorporated in under the Associations Incorporation Reform Act 2012 ('the Act').

The functional and presentation currency of Royal Brighton Yacht Club Inc. is Australian dollars.

The financial report was authorised for issue by the General Committee on 30 August 2023.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures and the Act.

2 Summary of Significant Accounting Policies

(a) Revenue and other income

Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Association expects to receive in exchange for those goods or services. Revenue is recognised by applying a five-step model as follows:

1. Identify the contract with the customer
2. Identify the performance obligations
3. Determine the transaction price
4. Allocate the transaction price to the performance obligations
5. Recognise revenue as and when control of the performance obligations is transferred

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

Sale of goods

Revenue from the sale of food and beverages is recognised at the point of sale, when the economic benefits associated with the transaction flows to the Association and can be reliably measured.

Royal Brighton Yacht Club Inc.

ABN: 24 768 210 467

Notes to the Financial Statements
For the Year Ended 30 June 2023

2 Summary of Significant Accounting Policies

(a) Revenue and other income

Rendering of services

Revenue from subscriptions, maintenance fees and the lease of marina, hardstand and OTB space is recognised over the period where the customer is entitled to receive benefits from the service provided by the Association. Revenue is recognised when economic benefits are expected to flow to the Association and can be reliably measured.

The Association has numerous long-term leases for Marina space, spanning periods of twelve months or less. Revenue from these leases are defined as operating leases and recognised on a straight-line basis over the agreement terms. All agreements will expire prior to the Association's current lease of the seabed.

Interest

Interest is recognised as it accrues using the effective interest method, by calculating the amortised cost of a financial asset and allocating interest over the relevant period. Interest is allocated using the effective rate, which discounts estimated future cash receipts through the expected life of the financial asset to its respective net carrying amount.

Deferred and unearned revenue

The Association receives funds in advance from its members. These are treated as liabilities of the Association until the requirements of the revenue recognition criteria have been satisfied. These deferred amounts are then released to revenue.

Other Income

Other income is recognised on an accruals basis when the Association is entitled to it.

(b) Income Tax

The Association is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

(c) Borrowing costs

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of the cost of that asset.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

Royal Brighton Yacht Club Inc.

ABN: 24 768 210 467

Notes to the Financial Statements

For the Year Ended 30 June 2023

2 Summary of Significant Accounting Policies

(d) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(e) Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

(f) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Items of property, plant and equipment acquired for significantly less than fair value have been recorded at the acquisition date fair value.

Plant and equipment

Plant and equipment are measured using the cost model.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Association, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Plant and Equipment	4.00 - 50.00%
Leasehold improvements	2.00 - 50.00%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

Royal Brighton Yacht Club Inc.

ABN: 24 768 210 467

**Notes to the Financial Statements
For the Year Ended 30 June 2023**

2 Summary of Significant Accounting Policies

(g) Financial instruments

Financial instruments are recognised initially on the date that the Association becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification

On initial recognition, the Association classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss - FVTPL

Financial assets are not reclassified subsequent to their initial recognition unless the Association changes its business model for managing financial assets.

Amortised cost

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows are solely payments of principal and interest on the principal amount outstanding.

The Association's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income is recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

Financial assets through profit or loss

All financial assets not classified as measured at amortised cost as described above are measured at FVTPL.

Net gains or losses, including any interest income are recognised in profit or loss.

Royal Brighton Yacht Club Inc.

ABN: 24 768 210 467

**Notes to the Financial Statements
For the Year Ended 30 June 2023****2 Summary of Significant Accounting Policies****(g) Financial instruments****Financial assets***Impairment of financial assets*

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

- financial assets measured at amortised cost

When determining whether the credit risk of financial assets has increased significantly since initial recognition and when estimating the expected credit loss (ECL), the Association considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Association's historical experience and informed credit assessment and including forward looking information.

The Association uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Association in full, without recourse to the Association to actions such as realising security (if any is held).

Credit losses are measured as the present value of the difference between the cash flows due to the Association in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

Trade receivables

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Association has determined the probability of non-payment of the receivable and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Association renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

Other financial assets measured at amortised cost

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

Royal Brighton Yacht Club Inc.

ABN: 24 768 210 467

**Notes to the Financial Statements
For the Year Ended 30 June 2023**

2 Summary of Significant Accounting Policies

(g) Financial instruments

Financial liabilities

The Association measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Association comprise trade payables, bank and other loans and lease liabilities.

(h) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

(i) Leases

At inception of a contract, the Association assesses whether a lease exists - i.e. does the contract convey the right to control the use of an identified asset for a period of time in exchange for consideration.

This involves an assessment of whether:

- The contract involves the use of an identified asset - this may be explicitly or implicitly identified within the agreement. If the supplier has a substantive substitution right then there is no identified asset.
- The Association has the right to obtain substantially all of the economic benefits from the use of the asset throughout the period of use.
- The Association has the right to direct the use of the asset i.e. decision making rights in relation to changing how and for what purpose the asset is used.

Lessee accounting

The non-lease components included in the lease agreement have been separated and are recognised as an expense as incurred.

At the lease commencement, the Association recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Association believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Association's incremental borrowing rate is used.

Notes to the Financial Statements

For the Year Ended 30 June 2023

2 Summary of Significant Accounting Policies

(i) Leases

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Association's assessment of lease term.

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Exceptions to lease accounting

The Association has elected to apply the exceptions to lease accounting for both short-term leases (i.e. leases with a term of less than or equal to 12 months) and leases of low-value assets. The Association recognises the payments associated with these leases as an expense on a straight-line basis over the lease term.

(j) Employee benefits

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

(k) Going concern

The Association's activities resulted in a deficit for the year ended 30 June 2023 of \$295,958 (30 June 2022: deficit \$4,830). It has a net current working capital as at 30 June 2023 of \$239,144 (30 June 2022: \$211,862 surplus). Encompassed within the total is \$703,403 income for the 2024 year received in advance.

The financial statements have been prepared on the basis that the Association is a going concern which contemplates the continuity of normal business activity, realisation of assets and settlement of liabilities in the normal course of business for the following reasons:

At 30 June 2023 the Association had net assets of \$4,689,458 cash reserves of \$1,487,510 and generated net cash inflows from operating activities of \$794,215.

The General Committee believe that the Association will continue to successfully manage the operations of the entity and accordingly, they have prepared the financial report on a going concern basis. At this time the General Committee are of the opinion that no asset is likely to be realised for an amount less the amount at which is recorded in the financial statements for the year ended 30 June 2023.

Royal Brighton Yacht Club Inc.

ABN: 24 768 210 467

**Notes to the Financial Statements
For the Year Ended 30 June 2023**

2 Summary of Significant Accounting Policies

(I) Adoption of new and revised accounting standards

The Association has adopted all standards which became effective for the first time at 30 June 2023, the adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Association.

3 Critical Accounting Estimates and Judgments

The General Committee make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - impairment of property, plant and equipment

The Association assesses impairment at the end of each reporting period by evaluating conditions specific to the Association that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

Key estimates - estimation of useful lives of assets

The Association determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down

Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

4 Revenue and Other Income

	2023	2022
	\$	\$
Revenue from contracts with customers (AASB 15)		
- sale of goods	3,087,956	2,332,485

For the Year Ended 30 June 2023**

5 Finance Income and Expenses

Finance income

	2023	2022
	\$	\$
Interest income - assets measured at amortised cost	18,235	17
	<u>18,235</u>	<u>17</u>

Finance expenses

	2023	2022
	\$	\$
Interest expense	44,019	35,375
Interest on lease liability	21,451	24,380
Equipment loan costs	4,694	-
	<u>70,164</u>	<u>59,755</u>

6 Employee expenses

The result for the year includes the following specific employee expenses:

	2023	2022
	\$	\$
Employee and contractor expenses		
Salaries and wages	2,251,986	1,709,777
Superannuation	211,886	152,593
Leave expenses	30,611	53,011
Other payroll expenses	109,681	79,160
	<u>2,604,164</u>	<u>1,994,541</u>

7 Cash and Cash Equivalents

	2023	2022
	\$	\$
Cash at bank and in hand	467,610	1,402,093
Short-term money market investments	19,900	21,819
Deposits at call	1,000,000	-
	<u>1,487,510</u>	<u>1,423,912</u>

Royal Brighton Yacht Club Inc.

ABN: 24 768 210 467

**Notes to the Financial Statements
For the Year Ended 30 June 2023**

8 Trade and other receivables

	2023	2022
	\$	\$
CURRENT		
Trade receivables	125,150	129,448
Allowance for doubtful debts	(19,237)	(19,237)
Accrued interest	14,960	-
	<u>120,873</u>	<u>110,211</u>

The carrying value of trade receivables is considered a reasonable approximation of fair value due to the short-term nature of the balances.

The maximum exposure to credit risk at the reporting date is the fair value of each class of receivable in the financial statements.

9 Inventories

	2023	2022
	\$	\$
CURRENT		
Beverages	58,378	50,144

14 Borrowings

	2023	2022
	\$	\$
NON-CURRENT		
Equipment loan commitment	-	1,738
Bank borrowings	121,489	482,761
	<u>121,489</u>	<u>484,499</u>

The bank borrowing facility was initially for a total amount of \$2,000,000 from Bank of Melbourne and was drawn down in the year ended 30 June 2017. The facilities were varied in November 2019, with the two facilities consolidated into one facility for a total amount of \$1,450,000. On 15th of October 2020 the existing facility agreement was further varied, with a total facility limit of \$1,658,000. The facility is repayable in instalments over a facility term of 4 years. The facility is secured by means of a mortgage over the Association's assets and undertakings. The interest rate on the facility consists of the sum of:

-Base rate: BBSY 0.1460%p.a (indicative)

-Business loan margin: 1.460% (indicative)

-Margin rate: 0.200% p.a

Given the increase in interest rates over the 2023 financial year, the rate applied to the loan at 30 June 2023 was 5.667%.

Interest is payable on the outstanding amount of the facility. As at 30 June 2023, the loan facility outstanding was \$494,011 (2022: \$846,237).

The Association also has equipment loan facilities. The facilities have financed the purchase of a computer system and outboard motors for the fleet of inflatable boats.

Yachting Foundation No 2 reserve	17,786	17,786
	<u>17,786</u>	<u>17,786</u>

18 Financial Risk Management

The Association is exposed to a variety of financial risks through its use of financial instruments.

The most significant financial risks to which the Association is exposed to are described below:

Specific risks

- Liquidity risk
- Credit risk
- Market risk - interest rate risk

Royal Brighton Yacht Club Inc.

ABN: 24 768 210 467

**Notes to the Financial Statements
For the Year Ended 30 June 2023**

18 Financial Risk Management

Financial instruments used

The principal categories of financial instrument used by the Association are:

- Trade receivables
- Cash at bank
- Trade and other payables
- Lease liabilities
- Floating rate bank loans

The Association has documented policies and procedures relating to managing financial risk. The General Committee members manage the different types of risks to which it is exposed by considering risk and monitoring levels of exposure to the financial risks identified. Risk controls are identified for each risk to ensure they are monitored and controlled. Each risk is reviewed regularly to reduce likelihood of occurrence. Committee members monitor interest rate risk by being aware of market forecasts for interest rates. Ageing analyses and monitoring of specific credit allowances are undertaken to manage credit risk, liquidity risk is monitored through general business budgets and forecasts.

The Association holds the following financial instruments

	2023	2022
	\$	\$
Financial assets		
Held at amortised cost		
Cash and cash equivalents	1,487,510	1,423,912
Trade and other receivables	120,873	110,211
Total financial assets	<u>1,608,383</u>	<u>1,534,123</u>
Financial liabilities		
Trade and other payables	(150,185)	(134,705)
Financial liabilities at fair value		
Borrowings	(500,437)	(885,459)
Lease liabilities	(572,723)	(656,383)
Total financial liabilities	<u>(1,223,345)</u>	<u>(1,676,547)</u>

Liquidity risk

Liquidity risk arises from the Association's management of working capital and the finance charges and principal repayments on its debt instruments. It is the risk that the Association will encounter difficulty in meeting its financial obligations as they fall due. The Association manages liquidity risk by monitoring cash flow and maturity profiles of financial assets and liabilities.

Royal Brighton Yacht Club Inc.

ABN: 24 768 210 467

Notes to the Financial Statements

For the Year Ended 30 June 2023

18 Financial Risk Management

Liquidity risk

The table below reflects the undiscounted contractual cash flows.

Financial liability and financial asset maturity analysis

	Within 1 Year		1 to 5 Years		Over 5 Years		Total	
	2023	2022	2023	2022	2023	2022	2023	2022
	\$	\$	\$	\$	\$	\$	\$	\$
Financial assets								
Bank	(1,487,510)	1,423,912	-	-	-	-	(1,487,510)	(1,423,912)
Trade and other receivables	(120,873)	(110,211)	-	-	-	-	(120,873)	(110,211)
Financial liabilities								
Trade and other payables	150,185	134,705	-	-	-	-	150,185	134,705
Lease liabilities	46,896	83,660	156,853	156,853	368,974	415,870	572,723	656,383
Borrowings	378,948	490,602	121,489	394,857	-	-	500,437	885,459
Total contractual outflows	(1,032,354)	(825,156)	278,342	551,710	368,974	415,870	(385,038)	142,424

The timing of expected outflows is not expected to be materially different from contracted cashflows.

During the current and prior year, there was no defaults or breaches of any loan.

Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in a financial loss to the Association.

Credit risk arises from cash and cash equivalents and deposits with banks and financial institutions, as well as credit exposure to wholesale and retail customers, including outstanding receivables and committed transactions.

The maximum exposure to credit risk, excluding the value of any collateral or other security, at Reporting Date to recognised financial assets is the carrying amount of those assets, net of any allowance for doubtful debts, as disclosed in the Statement of Financial Position and notes to the financial report.

The Association trades primarily with Association members and other creditworthy third parties, as such collateral is not requested nor is the Club's policy to securitise its trade and other receivables.

Receivables balances are monitored on an ongoing basis with the result that the Association's exposure to bad debts is not significant. There are no significant concentrations on credit risk.

Royal Brighton Yacht Club Inc.

ABN: 24 768 210 467

Notes to the Financial Statements

For the Year Ended 30 June 2023

18 Financial Risk Management

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices.

(i) Interest rate risk

The Association is exposed to interest rate risk as funds are borrowed at floating and fixed rates. Borrowings issued at fixed rates expose the Association to fair value interest rate risk.

Sensitivity analysis

The following table illustrates the sensitivity of the net result for the year and equity to a reasonably possible change in interest rates of +2.00% and -2.00% (2022: +2.00%/-2.00%), at the reporting date. These changes are considered to be reasonably possible based on observation of current market conditions and economist reports.

The calculations are based on the financial instruments held at each reporting date. All other variables are held constant.

	2023		2022	
	+2.00%	-2.00%	+2.00%	-2.00%
	\$	\$	\$	\$
Net results	(21,604)	24,175	(31,661)	31,661
Equity	(21,604)	24,175	(31,661)	31,661

(ii) Price risk

The club is not exposed to any significant price risk.

19 Related Parties

The Association's main related parties are as follows:

Key management personnel - refer to Note 20.

Related parties include close family members of key management personnel and the general committee and entities that are controlled or significantly influenced by those key management personnel or their close family members.

Transactions with related parties

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

Royal Brighton Yacht Club Inc.

ABN: 24 768 210 467

**Notes to the Financial Statements
For the Year Ended 30 June 2023****20 Key Management Personnel Remuneration**

Key management personnel compose persons having authority and responsibility for planning, directing and controlling the activities of the Association.

The totals of remuneration paid to the key management personnel of Royal Brighton Yacht Club Inc. during the year are as follows:

	2023	2022
	\$	\$
Short-term employee benefits	165,181	150,002
Post-employment benefits	14,966	12,923
	<u>180,147</u>	<u>162,925</u>

21 Auditors' Remuneration

	2023	2022
	\$	\$
- audit of the financial statements	17,500	16,800
- assistance with preparing the annual financial statements	2,500	2,100
	<u>20,000</u>	<u>18,900</u>

22 Contingencies

In the opinion of the General Committee, the Association did not have any contingencies at 30 June 2023 (30 June 2022:None).

23 Events after the end of the Reporting Period

The financial report was authorised for issue on 30 August 2023 by the General Committee.

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association in future financial years.

Independent Audit Report to the members of Royal Brighton Yacht Club Inc.

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Royal Brighton Yacht Club Inc. (the Association), which comprises the statement of financial position as at 30 June 2023, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the statement by members of the committee.

In our opinion, the accompanying financial report presents fairly, in all material respects, including:

- (i) giving a true and fair view of the Association's financial position as at 30 June 2023 and of its financial performance and its cash flows for the year ended; and
- (ii) complying with the Australian Accounting Standards - Simplified Disclosures and the Associations Incorporation Reform Act 2012.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance

Management is responsible for the preparation and fair presentation of the financial report in accordance with the Australian Accounting Standards - Simplified Disclosures and the Associations Incorporation Reform Act 2012, and for such internal control as management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Liability Limited by a scheme approved under Professional Standards Legislation

Royal Brighton Yacht Club Inc.

Independent Audit Report to the members of Royal Brighton Yacht Club Inc.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial reporter, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

Royal Brighton Yacht Club Inc.

Independent Audit Report to the members of Royal Brighton Yacht Club Inc.

We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with the management, we determine those matters that were of most significance in the audit of the financial report of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
