Wherever it is coming from I am sure that it moves with tide/wind direction etc. I have had a similar report around the low landing section of the pier.

The smell may be coming from the dog beach or the Yarra. We will continue to investigate.

Royal Brighton Yacht Club 253 Esplanade, Middle Brighton VIC, 3186

Dear Board Members,

RE: Royal Brighton Financial Results - January 2024

Below is a summary of the Club's financial results for January 2024, as well as accompanying commentary.

#### **Financial Results January 2024:**

The financial reports for the period have been prepared on a calendar month basis from 1<sup>st</sup> January to 31<sup>st</sup> January 2024. The Club traded 31 days of the month.

The Club's financial performance for the January period has been analysed and compared with the previous months figures. During the January period, the Club generated a total income of \$558k, representing a \$74k decrease compared to the Decembers income of \$633k. This decrease is due to a \$60k decrease in Total Catering Income in which \$35k of the decrease can be attributed to Function Food. However, Cost of Sales did not reflect the drop in sales with a \$1k increase.

Expenditure for the January period totalled to \$380k, which is a \$42k decrease compared to December. Total Employment Expenses did decrease by \$11k primarily due to a \$11k decrease in Functions Casual which is evident in the drop in Function Revenue. Please note a negative expense is being shown for R,M&S Marina due to a journal being posted in January which is now capitalising invoices relating to dredging.

For a comprehensive analysis, the Club's financial results were compared to the budgeted figures for the period. The Club's revenue exceeded the budgeted figures by 1%, however the Cost of Sales went over the budget by 20%. On the other hand, the Club's expenses outperformed the budget by 7%. Overall, the Club's Operating Profit performed well and exceeded the forecasted results by 45%.

In summary, the Club reported an Operating Profit of \$47k for January. Year to Date Operating Profit is \$241k

Please see the table below, the total Employment cost ratio to total Revenue for the last three months as well as last year.

Nov-23	Dec-23	Jan-24
44%	48%	52%

Nov-22	Dec-22	Jan-23
40%	39%	39%

Please note the upcoming statutory liabilities listed below:

Upcoming Liabilities	Amount	Due Date
September BAS 23 Payment Plan	\$20,848.78	27/02/2024
December BAS 23	\$128,721.00	28/02/2024
January Super	\$22,918.18	27/02/2024
Total	\$172,487.96	

The Balance Sheet of the Club reflects the most recent financial position as of the end of January 2024, and it is confirmed that the Club is current with all statutory payments and lodgements.

When reviewing the financial statements for January, please note the following:

• Rescue & Work Boats is currently \$40k less than the Asset Manager Pro figure due to waiting on instruction from the venue on the disposal of engines.

As always, any queries or discussions regarding the financial accounts are welcome. If you have any questions or would like to discuss the matter further, please feel free to contact me.

Kind Regards,

Freddie Deegan

Director - On Tap Hospitality

## Kieser Great Bayside Swim 2024

#### **Event Report to Sponsors and Supporting Organizations**

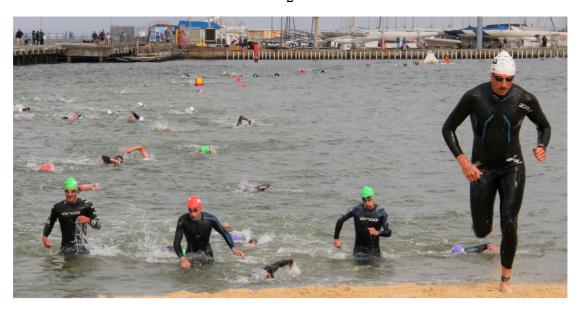

The Fourteenth Bayside Swim was presented by The Rotary Club of Brighton in association with the Brighton Lifesaving Club at Middle Brighton Beach on January 26, 2024

The event (previously The Great Australia Day Swim) was re-named the Great Bayside Swim (GBS) in 2023 to allign it more strongly with the Bayside area and its Bayside supporters and sponsors

#### **Highlights:**

- 810 swimmers registered in the four swim events- the 2.5km and 1.4km Open Water Swims, the 650m Intermediate Swim and the 200/300m Junior Dash. Attendance this year was impacted by adverse weather conditions.
- Event registrations have grown substantially since the event commenced in 2010 and has become established as a major event on the Victorian Open Water Swim calendar.
- Sponsors received high visibility in promotional material including the website, Facebook Page and other social media, display boards on high traffic Bayside locations, event signage, posters, flyers, and the direct marketing campaigns.
   Sponsors were given prominence during the event and a number presented awards.
- The event raised \$42,000 for Rotary charities including Bayside Community Information and Support Inc. and the Brighton Lifesavers Youth programs

#### The event

The Event again was conducted by the Rotary Club of Brighton, supported by the Brighton Lifesaving Club. Comments from swimmers and spectators indicated that it was considered well organised and professionally presented.

Swimmers had access to change tents and gear storage. On completion of their events, swimmers also had access to a beach rinse-down shower, water and fresh fruit from Premier Fresh.

Event placegetters were given award medals. Event prizes were donated by Kieser, and Engine Swim.

Sponsors were frequently profiled during the event including at the awards ceremonies.

Feedback from swimmers about GBS was positive. Many entrants also compete in other Open Water swim events and indicated that GBS compared favourably.

#### Swim events

The swim courses were set out by the Brighton Lifesavers, who supervised the swimming events and provided the safety briefings.

The course for the 1.4km and 2500m Open Water swims normally commence on the South side of Middle Brighton Pier and the courses were clockwise around the Pier, breakwater and marina finishing on the beach in front of the Royal Brighton Yacht Club. The 2500m swimmers also swam a lap around a marked circuit before completing the course.

The 2024 event was impacted by strong SW winds and wave swell, and mid-morning it was considered unsafe to proceed with the 1400m event. The Brighton Lifesavers established an alternative 1300m course in more sheltered water inside the marina.

The Intermediate swim was from the Northern end of the RBYC marina to the beach, sheltered by the breakwater and pier. The Intermediate Swim provides a transition from the Junior Dash to the longer Open Water events and is strongly supported.

Entrants from a Special School swam with their 'swim buddies' in the 650m event, for separate Multiclass awards.

Experienced swimmers were highly complementary about all of the courses and indicated that they were satisfied with the layout, signage and safety arrangements.

All courses were adjacent to the pier and marina in full view of spectators, which gives the Great Bayside Swim a distinct difference to other Open Water events.

Multisport Timing provided swim times and results, using an electronic timing system. Results and swim times were available on the GBS website after each event.

A commentator identified swimmers and their swim times as leading swimmers finished their events and swim times were provided on an AV display provided by Nichols Crowder Real Estate. Swimmers also had access to a QR Code to access results on their phones.

#### **Publicity**

The event was actively promoted by the GBS team. The extensive distribution of flyers, posters, postings on Facebook, the email program and billboards increased the visibility of the event, thereby increasing the sponsors' branded reach to the local community and connection to the event.

Major promotional activities included:

- The event website www.greatbaysideswim.com.au had 10,000 visits from unique users (17,500 page views in total). Swimmers utilized the site to register, view information and swim course maps and to view their swim results. The website has been optimised so that Google displays GBS on its first search results page. The website has been optimised for display on all devices including mobile phones and tablet.
- Distribution of 4,500 event flyers at three major Victorian Open Water swim events and at a Triathlon series.
- 9 Real Estate-style billboards in high traffic locations in Bayside including a swim course map at the base of the Middle Brighton Pier, provided by Jellis Craig Real Estate.

- Weekly email campaigns delivered to the 2,900 swimmers on the GBS database of supporters and past entrants.
- Regular news and information about the event and its sponsors

   including photos of swimmers and the awards presentations were posted
   on the GBS Facebook and Instagram Pages. The GBS Facebook page currently
   boasts over 88,000 likes which represents strong organic reach and engagement.
   Organic content was also supported by boosted posts to enhance reach further.
- Items were also shared on the Bayside Hub Facebook Group, reaching numerous Bayside residents plus additional localised social media posting extending the reach and exposure through channels such as the Bayside Mailer, Rotary Club of Brighton Facebook/Instagram/LinkedIn pages, Bayside City Council, Hampton Community Hub, Bayside Food and Lifestyle, Swimming Australia, Rotary Fitness website, Bayside Open Water Swim Group and other targeted groups, Hampton Primary School Facebook, VIP's media including Zoe Daniel MP, James Newbury MP and the Bayside Counil.
- Additional social media reach was amplified through coordinated efforts with sponsors/supporters sharing posts on their channels on Facebook and Instagram.
- Sponsors' websites were linked to the event website and other key channels like social media frequently in the lead-up campaign.
- Listings in various Swim Calendars

February, 2024

#### Good Afternoon

On behalf of the Rotary Club of Brighton, I would like to thank Royal Brighton Yacht Club for its continuing support of The Great Bayside Swim on January 26'th.

Despite challenging weather conditions, the event was a considerable success, as outlined in the attached Report To Sponsors and Supporters.

We appreciate that the event causes disruption to marina operations and to your facilities, and appreciate the Club accommodating that.

The assistance of Phil Hall and Colin Burgess and their staff is greatly appreciated.

#### Regards
