Personal Objectives:

I am nominating to be Club Captain for the third year. Having learned a lot from those who have gone before me, I am enjoying being part of the current General Committee and working with a capable and committed Sailing Committee.

Current Sailing Committee members have huge experience with both racing and race management. In addition, support comes from our Boating Manager Colin Burgess and his team in the Sailing Office. I also appreciate the interactions with Club Captains from other clubs and Australian Sailing – we all have the same goals to promote our great sport.

My objective is to enhance the sailing experience of all sailors; Off The Beach, Keelboats and Motor Boats; children, youth, adults and oldies; those with decades of experience to those without; relaxed racers, competitive racers, and cruisers. Sailing is truly for everyone.
