

Boat Crew

Getting Started on the Water

Boat Crew are the backbone of every race day. This is where most volunteers begin—hands-on, practical, and fun.

What You Do

- Assist with setting up marks and equipment.
- Ride aboard Club Rescue boats or start boats.
- Help launch/retrieve marks and tackle.
- Support the Rescue Driver in keeping an eye on sailors.

Pathway

No licence is needed. A first step toward Timekeeper, Rescue Driver, or Mark Layer.
