

## Mark Layer

### *The Tactical Eye*

---

Mark Layers follow the course instructions issued by the Race Officer via VHF radio, placing marks to create the correct course.

### What You Do

- Deploy marks as instructed by the RO.
- Adjust positions when conditions shift or as directed.
- Work closely with Rescue Drivers to anchor or move marks quickly and safely.

### Pathway

Builds tactical awareness and precision. Experience here plus other roles → step into Trainee RO.
