

# Sail Past Instructions 2025

The flagship (IT'S A PRIVILEGE will take up station to the seaward of the Middle Brighton breakwater.

Boats are required to be in the assembly area prior to 1245 Hrs to enable the Sail Past to commence at 1300 Hrs.

The assembly area will be windward of the flagship location as follows:

A red **flag** flying from the Race Control Tower indicates the assembly area will be approximately 300 meters North of the Middle Brighton Breakwater and West of RBYC 5.

A green **flag** flown from the Race Control Tower indicates the assembly area will be approximately 300 meters South of the Middle Brighton Breakwater. (Warning: - beware of Bonnet Rock) and in the vicinity of the laid mark (which will be a Yellow Tetrahedron Buoy).

When instructed boats shall sail or motor to a turning mark (RBYC 5 or a laid mark 'A' depending on the wind) then proceed downwind, passing between the flagship and the shore. It is customary to give 3 hearty cheers to the Commodore and the Flag Officers on the Official flagship.

**Sail Past shall take place in the following order: Please ensure you stay no more than 1 boat length away from the boat in front of you**

Division 1,

Division 2,

Division C,

Etchells, Dragons

VXONE

2.4,

OTB

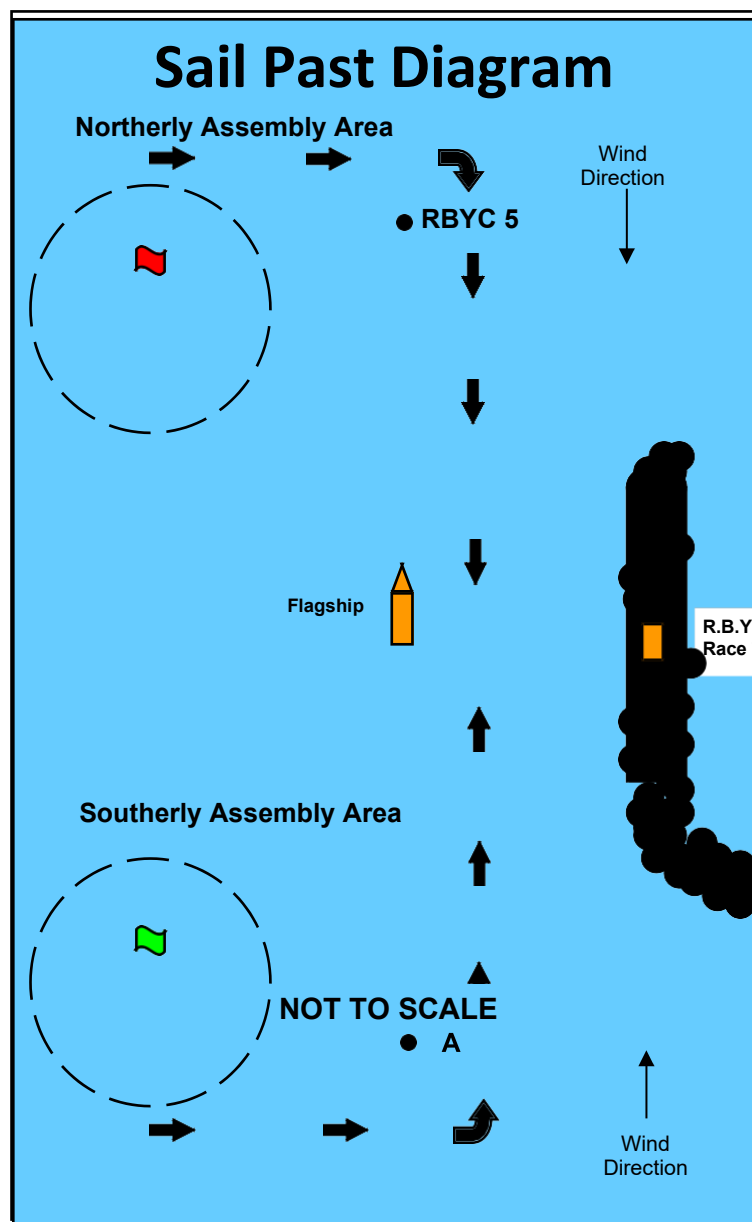

Powerboats.

Club Rescue Boats,

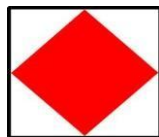

RBYC Rescue boats will be in the assembly area to direct the traffic. Boats are requested to listen and follow oral instructions via the **VHF radio ch.77**

**A list of boat order will be available on the day based on registration**

*No throwing water bombs at the Official Flagship please*
