

## Rescue Driver / Club Rescue Boat Driver

### *On the Helm, Keeping Racing Safe*

---

Rescue Drivers operate Club Rescue boats during racing—helping with mark laying, rescues, and keeping courses clear.

#### **What You Do**

- Drive Club Rescue boats safely and confidently.
- Drop and retrieve marks precisely.
- Assist sailors in distress if required.
- Stay in radio contact with the RO and other Rescue boats.

#### **Qualifications**

Powerboat licence required; skills assessed; club training available.

#### **Pathway**

Progress to senior rescue roles, bigger boats, or trainee Race Officer.
